Coburg Basketball Association

BEHAVIOURAL TECH FOUL PENALTIES
COACH, ASSISTANT COACH, BENCH STAFF & PLAYER

INTRODUCTION

Coaches, assistant coaches, bench staff and players who receive two or more behavioural technical fouls **during the CBA domestic season**, will have the following penalty applied.

- On second tech foul — Automatic 1 Game Suspension
- On third Tech Foul: — Coburg Domestic Grievance Committee meeting

***Please note that if a player or coach is ejected in a game, and both technical fouls are due to referee/umpire/supervisor abuse, the CBA Administration may invoke an additional one game suspension or double existing penalties.**

TECH FOUL PROCEDURES

At the completion of each round, the CBA Administration will send an email to the 'Club Delegate Contact' to inform them of any indiscretions during that week.

If they have received their first and only tech foul, we will issue you with their warning.

For their 2nd and further Behavioural Technical Fouls:
The CBA administrator will notify the club delegate contact that the relevant person has been suspended from the domestic competition and will provide the club delegate contact with their return to competition date.

PROCESS FOR RECORDING TECHNICAL FOULS

Supervisors are to inform referees that if they give a relevant person any technical fouls, they must ensure this is recorded on the IPAD or scoresheet before the completion of the game.

APPEALING BEHAVIOURAL TECHNICAL FOUL OR PENALTY

Coaches/assistant coaches/players who receive a behavioural technical foul have the right to appeal to the CBA Administrator for a review of their technical foul record by close of business on the next business day. This must be emailed by their club delegate contact.

If a relevant person is suspended, the club delegate contact may email the CBA administrator within 24 hours of receiving the penalty notification to appeal the suspension.
This will then be passed on to the Coburg Domestic Grievance Committee for review.
The CDGC decision is final.
